TO INVESTIGATE

HIGH PAPER COST

Newspaper publishers throughout the country were invited by the Federal Trade Commission to be represented at a hearing in Washington on August 1st at 10:00 a. m. on whether there has been an undue increase in the price of news print paper. The Commission will conduct an exhaustive investigation, of which the public hearing will be the first step. The investigation was ordered by a resolution of the Senate. The Commission has sent word to 2,000 daily newspapers and 4,000 weekly papers asking those who can not appear to submit any information they may have in writing. The Commission wants specific information of prices, quantities and any other facts bearing on the increase.

Recipes Furnished by Department Specialists to Home Canning Clubs.

The office in charge of club work in the Northern and Western states furnishes the following recipes for the home canning of fruit into three classes:

(1) Soft fruits, such as strawberries, blackberries, dewberries, sweet cherries, blueberries, peaches, apricots, etc.: Can the same day fruit is picked. Grade and rinse the fruit by pouring water over it through a strainer. Cull, seed, and stem. Pack immediately in glass jars or tin cans. Add boiling hot sirup of 18 per cent. density (thin). Place rubber and top in place. Partially tighten. (Cap and tip tin cans.) Sterilize in hot-water bath outfit for 16 minutes; in water-seal outfit, 10 minutes; steam-pressure outfit under 5 pounds steam, 8 minutes; in aluminum pressure cooker, with 10 pounds of steam, 5 minutes. Remove. Tighten covers. Invert to cool and test joints. Wrap glass jars in paper to prevent bleaching; then store.

(2) Sour berry fruits, such as currants, gooseberries, cranberries, and sour cherries: Can same day picked. Stem, hull, and clean. Blanch in hot water 1 minute. Remove and dip quickly in cold water. PUSH THE GOOD

When you see or hear of a good thing in this community, push it along. Push hard and keep on pushing.

You can accomplish wonders for your home town by following such a course. It has its effect on the outside world and it induces other local citizens to follow your lead.

A few pushers can do some things and can accomplish a few results, but it requires the efforts of a united people to make a dent in the world.

Let's all get together and make the dent.

UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Mt. Sterling. No Mt. Sterling resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

Mrs. Mary F. Henson, 21 Strothers St., Mt. Sterling, says: "My health was very poor and I doctor-ed but in vain. I was almost helpless. I had nervous spells, headaches, and my sight was poor. I often became dizzy and had to catch hold of something for support. Doan's Kidney Pills, procured at Duerson's Drug Store, made me well."

OVER THREE YEARS LATER, Mrs. Henson said: "What I said in praise of Doan's Kidney Pills before, still holds good. They do all they are claimed to do."

ONE BIRD AT A TIME

Some people start life by trying to kill two birds with one stone and go down to their graves without having bagged either one.

It is a fatal mistake that is often made.

The young man begins his career and is naturally anxious to get ahead.

There are two ways that are commonly used to accomplish this end. The one is to do one thing at a time and do it well. The man who does this advances steadily, if at times slowly, but in the end he attains the goal he seeks. Patience and energy and faithfulness are rewarded by success. The other is impatient and wants to go forward by leaps and bounds. He wants to kill two birds with one stone. Sometimes he wants to bag a dozen at one throw. As a result his objects are confused, his aim is too quick and careless, and he scores more misses than hits.

This is unsatisfactory to the employer and in time such a man generally finds himself looking for another job.

The wise employer is an excellent judge of men. It is a part of his business to be such, and it is because of his ability to gauge the capacity of his men that he succeeds in life.

He wants no drones, and the two-bird man does not appeal to him. He wants faithfulness, efficiency and steadiness, and that can only be secured by selecting the man who does one thing at a time and does it well.

It is a lesson every young man should learn on the threshold of life.

GOES TO MT. MCGREGOR

Mr. Kelly Haddix, who has been local agent for the Metropolitan Insurance Company for several years, has been sent to the Company's health resort at Mt. McGregor, N. Y., in the heart of the Catskill Mountains, to undergo treatment for tuberculosis. Mr. Haddix has been succeeded here by J. Lee, of Cynthia, who, with Mrs. Lee, arrived Monday. Mr. Haddix will probably remain a year at Mt. McGregor at the expense of the Company and his many friends here hope to see him return completely restored to health. His wife did not accompany him.

How much happier we would all be if we would attempt to build instead of tearing down; how much sweeter our lives would be, if we would encourage by kind words, those of our fellowmen and fellowwomen who have fallen by the wayside; extend a helping hand, whisper words of encouragement in their ear, and oh! how much better our lives and theirs would be. Give no heed to the tattler and gossip, turn a deaf ear, and tell them that you are otherwise engaged, when you find them inclined to talk and very soon the tattlers will find their profession gone.

GUARANTEED TEN YEARS

The extra strength of the Rex Typewriter can be seen.

The type-bars are of 1-16 inch thickness, instead of the usual 1-32. The type-bar-bearing surface is, on the average, four times greater than on any other typewriters of standard design. In every part there is extra strength.

The Rex is built to outlast all others. Factory tests show an equivalent of 25 years' daily service.

The manufacturers consider 10 years a reasonable guarantee.

Why buy a typewriter of less strength?

Extra Capacity

Letter writing is not all a typewriter should do.

The carriage on the Standard Rex Model is 11 inches instead of 9. It is built for writing on wide blanks, insurance policies, deeds, abstracts, contracts, etc.

Why buy a typewriter that only writes letters?

It writes on cards, labels, tags. It prints in two colors without changing ribbon—serves as a check-protector. It is made ready for stencil-cutting without removing ribbon. It manu-

folds from 5 to 20 carbon copies at one writing.

The tabulator and back-spacer are operated by keys. They are in-built—not added attachments.

When the end of the line is reached, the Rex locks automatically.

The Rex is a full visible writer—not necessary to move any part of the typewriter to see all you are writing and have written.

Why buy a typewriter that lacks any of these features?

Extraordinary Price

\$57.50, f. o. b. factory, would be a low price for any standard typewriter. For a typewriter of extra strength, extra capacity, extra features, it is an extraordinary price.

Why pay more and receive less? Compel those who ask more to give more.

Monthly Payments

For a little more the Rex can be had on monthly payments. It will pay for itself from earnings.

BILL NYE'S COW

Bill Nye, the humorist, once had a cow to sell and advertised her as follows: "Owing to my ill health, I will sell at my residence, in township nineteen, range eighteen, according to the government's survey, one plus raspberry cow, aged eight years. She is of undoubted courage, and gives milk frequently. To a man who does not fear death in any form she would be a great boon. She is very much attached to her present home with a stay-chain, but she will be sold to any one who will agree to treat her right. She is one-fourth short-horn and three-quarters hyena. I will also throw in a double-barreled shotgun, which goes with her. In May she usually goes away for a week or two and returns with a tall red calf with wobbly legs. Her name is Rose. I would rather sell to a non-resident."

"Cured"

Mrs. Jay McGee, of Stephenville, Texas, writes: "For nine (9) years, I suffered with womanly trouble. I had terrible headaches, and pains in my back, etc. It seemed as if I would die. I suffered so. At last, I decided to try Cardui, the woman's tonic, and it helped me right away. The full treatment not only helped me, but it cured me."
